## DETAILED ACTION

### ***Allowable Subject Matter***

1. Claims 1-9, 11-15, and 17-21 are allowed.
2. The following is an examiner's statement of reasons for allowance: Applicant teaches a method for authenticating a user for access to a computer network via a network access server including a dual-access communications interface supporting both data calls and voice calls over a same physical input, the method comprising, receiving, via the dual-access communications interface, a user identification from a user seeking access to the computer network via the dual-access communications interface, issuing a variable challenge query, receiving, via the dual-access communications interface, a voice response to the challenge query, and selectively logging the user onto the computer network utilizing a logon request that includes the user identification and a password, the logon request based at least in part on a comparison of the challenge query with a stored voice sample sequence that corresponds to the user identification and the challenge query. The cited prior art alone or combination fails to fairly disclose or suggest the claimed combination of features.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Vijay B. Chawan whose telephone number is (571) 272-7601. The examiner can normally be reached on Monday Through Friday 6:30-3:00.
